Subject: next CAC meeting

I wanted to coordinate with you all on the next CAC meeting. We had not finalized the date for it. I am not available Aug. 17. But the week before or after would work for me. Please let me know and I can send out a save the date. The HGAC Dioxin meeting is Aug. 17.

I also had discussed ideas for the next community engagement meeting tentatively on September 8th and will follow up in an email.

I am also attaching a draft agenda per discussion with Gary to start early. Let me know any changes/comments.

I will be out at a conference from Wed. to Friday.

Also, did you know Texans Together had a meeting last Thursday? I heard about it late that day. It was at Baytown Council Chambers.
